

WILLIS TOWER

TOUR + HAPPY HOUR

Chicago's iconic Willis Tower is now undergoing a major redevelopment from street to sky!

Join us for a special presentation and guided tour by the lead designer and development team driving the \$500 million redevelopment plans. The evening event will include an overview of the office building amenity and workplace enhancements now underway, along with the visionary designs and concepts for the new base of the tower that will feature unique retail, dining, fitness and entertainment.

Once this transformation is complete, Willis Tower will raise the boundaries of architectural excellence and redefine what the work, life experience looks like in the City of Chicago – and establish a new standard for urban centers around the world.

Join us for a happy hour immediately following the presentation.

THURSDAY, MARCH 8 @ 5PM, 33RD FLOOR

DESIGN PRESENTATION, TOUR + HAPPY HOUR (2 DRINKS INCLUDED)

All guests must check-in at the security desk in the Franklin Street Lobby before proceeding to the 33rd floor space.
