### **One on One with Andy Gloor**

CCAC Board Member, Bob Chodos, Vice Chairman, Newmark Knight Frank, will moderate an exclusive conversation with Sterling Bay’s Managing Principal, Andy Gloor.

Sterling Bay is a leader in identifying and creating urban campus opportunities. They have earned the trust of lenders, brokers and tenants alike who have placed their confidence in Sterling Bay’s ability to deliver unprecedented developments. Companies like Google, McDonald’s, Uber and Hillshire Brands have turned to them to create exceptional headquarter space. The discussion will include:

- The Lincoln Yards Project – how it started and where it is heading?
- Fulton Market Corridor – how Sterling Bay envisioned this neighborhood years ago and how they affected its development?
- Where is the next new place in Chicago?
- What’s next for Sterling Bay outside of Chicago?

This will be an exciting venue as we will see firsthand, the convergence of the traditional developer platform with the millennial workforce of today and tomorrow. Prior to the meeting, if you have any questions you would specifically like to have addressed in this discussion, please send them to [Bchodos@ngkf.com](mailto:Bchodos@ngkf.com).
