

## CCAC OCTOBER 9, 2018 MEETING NOTICE

**Scott Goodman**  
Founding Principal  
Farpoint Development

Scott Goodman serves as the founding principal of Farpoint Development. With a lifetime of experience in real estate development focusing on investor relations, procurement of financing and equity and transaction structuring, he serves as the foundation for the company. Scott's deep insight into projects comes from involvement at each step of the process. His practical and academic knowledge results in a track record of unending success across all asset classes and market cycles.

Join us as we hear first-hand from Goodman on how Farpoint Development is the product of 30-plus years' experience in creating some of Chicago's most iconic and game-changing commercial office projects.
