

CCAC JANUARY 8, 2019 MEETING NOTICE

Alan W. Cramb
President
Illinois Institute of Technology

“The Vision for the Illinois Institute of Technology”

With the new administration taking office in 2019, the role of the Illinois Institute of Technology (IIT) in its neighborhoods, South Side community and the technology economy will be key. President Cramb will discuss the strategic priorities and vision to use the city of Chicago as a global platform to advance IIT in an environment of scientific, technological, professional knowledge creation and innovation.
